Summer Brunch Menu

served until 3pm

We’re passionate about showcasing the flavours of South Australia, in particular our home, the stunning Limestone Coast. We source and share our ingredients from local, boutique and family-run producers, selected by us for their honest, ethical and delicious produce. From the lush rolling hills that nurture The Splendid Egg’s happy hens (believe us you can taste the difference) to the pristine waters that house our seafood, the Limestone Coast has it in abundance. And we bring it to you on our delicious brunch menu.
