No.4

We're all about showcasing the flavours of this beautiful spot in the world, our very own Limestone Coast. The produce we use at No.4 is fresh, flavoursome and lovingly selected by us, plucked from South Australia's rolling hills and pristine seas. We're proud of our relationships with local suppliers who are passionate about their produce. We've adapted our menu to create delicious dishes that show off the best of our lush locality's seasonal produce - and we hope you enjoy every bite.
